The Madison Jobe Senior Center is a recreation facility for active adults 50 years of age and older. It is operated by the City of Pasadena Parks and Recreation Department and is located near the intersection of Red Bluff and Thomas, close to Hwy 225. Whether you are working, semi-retired, or retired, we offer a variety of great leisure, educational and personal development opportunities for you. Our programs offer activities that encourage and support health, creativity, and social interaction for active adults.

Why not take the time to try something new?

Lou Ann Words of Wisdom

I am so happy to report that we have new sound equipment! We will start looking at who wants to do a jam session here on Fridays just for fun or maybe have some karaoke fun here. We will have to learn how to work the new equipment, but we are so excited that we now have some great sound equipment here at Madison Jobe. If you want to be part of the jam session, let us know and we will get it started and see how it goes.

Also, I am looking forward to getting the crafts and ceramics class going soon. Those of you who are interested in learning how to paint and create great ceramic pieces and perhaps do a class on ceramic wind chimes, please sign up with Sandra, Julie, Eric, Lisa or Jesus and tell them you are interested in learning more. We will create a class and have loads of fun! We have molds and a kiln to fire the creations in, as well as paints and everything we need to get started. We just need to get started.

I used to teach ceramics in my kitchen on Thursday nights when I was going to college to help pay the bills. I also sold my ceramic creations at local craft shows and bazaars almost every weekend in nearby cities to pay for school. I made just about anything into a lamp, so I can show you how to wire ceramic lamps, too. It is great fun and very therapeutic. It is a happy experience to paint and create something beautiful. We used to have an "ooh ah" session in each class where we would admire each other's work and loudly exclaim "ooh" and "ahhh" at how fabulous it was. It always brought smiles and laughter.

The only problem with doing ceramics is that it is so much fun, it can be addictive, so consider this your official warning!

Today, I just want to thank this Madison Jobe Staff who always works so hard to make things happen and to bring you the best they can offer. They always go above and beyond, and I am very proud to work with such an incredibly talented and devoted group. They care about every detail of this place, every event and every person. They work hard every day behind the scenes to make things wonderful! When you get a chance, please thank them and let them know that you appreciate them as much as I do. This place would not be the wonderful place it is without their hard work and attention to detail. They have a wonderful positive attitude and are the greatest team EVER! Thank you to Eric, Sandra, Julie, Lisa, Jesus and JJ for your extra hard work and your team spirit. You put the smile in Madison Jobe!!!!!!

Once again Madison Jobe Senior Center hosted our annual end of the school year Pen Pal party. So much fun throughout the school year as pen pal letters connect young and the old! If you are interested in becoming a pen pal, please call the center for more details. You will see life in a whole new light as you see it from the eyes of a child.

"The children had so much fun at the party! Thank you for giving them a wonderful memories and a fantastic time. All the pen pals were so generous and loving. Your program is amazing!" - Laura Rice, Red Bluff Elementary
