Why not take the time to try something new?

Lou Ann Words of Wisdom

Well after many hours of preparation and lots of hard work by some incredibly talented and beautiful women inside and out, Ms. Juanita Washington was crowned our beautiful Ms. Pasadena Senior Queen 2017!!!!!! Juanita WOW what a voice!!!!!! She wowed us with her incredible rendition "To Dream the Impossible Dream." We are so proud of you!!!

Our first runner up was Katie Herranen, our contestant who was 92 years young who taught me so much and filled my heart with joy when she told me about how much she took to heart a letter I wrote that was in the contestant package and bought herself a beautiful glass to drink out of. Here's the letter:

You are all winners already because you are reading this and you have dared to enter this pageant and be a part of a wonderful event. Every day we can make choices to live life to the fullest and make our lives fabulous. Take every opportunity to enthusiastically make your life beautiful. In doing so, you will inherently enrich the lives of those around you. Each day is an open door to the life you want. Make life fun. Make your life your own. Meet challenges, dare to dream, stretch your comfort zone, do things because you just want to, do things that will help others, never miss an opportunity to be on an adventure because you never know where that journey will take you. Be a happy and joy filled traveler of the universe. By that, I mean that each day is a journey of all sorts, so gather up yourself, get out of your shell, put on a smile, roll up your sleeves and join in the adventure of making life incredible. This includes making things around you lovely...drink from a lovely glass, even if you must go to a garage sale to get it, eat from a beautiful plate, clean up each corner of your house little by little and make your eyes fall on something lovely in every corner of your house and therefore every corner of your life. We are all excited to join you in making the rest of every day of your life absolutely, positively, fantastically wonderful! Thanks for allowing us the opportunity to help you spread your wings and make your lives more beautiful!!! Most lovingly, Lou Ann, Eric, Sandra, Julie, Lisa and Jesus

Our second Runner up was Ms. Betty O'Bannon, who was our Miss Minnie and made us all laugh. Ms. Betty first stopped me at the Hometown Opry to ask me about our pageant there and told me she had lost her husband somewhat recently but had not performed on stage since he died because they used to perform

together as an act. I told her what better place to start than with a group of fun women who would show her lots of love and laughter. She joined the pageant and was brave and got herself out there onstage without him. She has my heart for her courage and bravery and getting out there in HONOR of her late husband. Betty, I knew he was smiling on you for your bravery, too.

Third runner up was precious Sylvia Ramirez, who got up there with her guitar to sing, "Que Sera, Sera" and did a beautiful rendition. So beautiful and so inspiring Sylvia gave me motivation each time I spoke with her as well. I will never forget your kind words to me so many times. You warmed my heart and soul.

And Miss Congeniality, Teresa Burkholder, was ever so gracious and kind that she charmed so many and made new friends with lots of delightful women. She said that it was the highest honor she could have achieved and it meant even more to her than being the Queen. Though she said she was coming back next year and we sure hope she does. We love you Teresa.

Each of you fifteen beautiful contestants, beautiful both inside and out, warmed my heart as I learned your stories of great adversity and triumph and as I watched you grow. The judges were all sooooo impressed and want to return next year as does Mr. Johnny Counterfit. In fact Mr. Ron Service from Ed Emmitt's Office said that the talent was the finest he had ever seen in our pageant and was very impressed. Ditto for Mr. Steve Coycault who said the same. What a fun time we had for this event.

In my eyes, you will all hold extra special places in my heart forever. You have etched wonderful memories on my heart that will never be erased. I admire your courage and your spunk and your beauty. I wish you all could have won the crown. I cheered for you all because in my eyes you are all winners and will always be winners.

The Winner's Circle includes all of you and all of our wonderful volunteers and hard-working staff! An extra special shout out to Pete, Phillip and David for helping us behind the stage with the props and microphones and to our wonderful escorts for the event who graciously volunteered their time to escort the ladies onstage and back. And also to our incredible Royal Court of former queens who have helped and advised and made this the incredible event it was by their constant support and help. I am blessed beyond measure to be a part of this event
