MUST COMPLY TO SIGN REGULATIONS

Temporary commercial banners shall mean banners used by commercial businesses to advertise the business or a product related to that business and shall conform to the following requirements:

- 1). Be limited to placement for no more that fifteen (15) days per calendar quarter (every three months);
- 2). Not to exceed 32 square feet in size;
- 3). Be attached to a building so as not to project above the roof line of that building except for buildings with parapet walls in which case the sign shall not project above the parapet;
- 4). Be limited to one side of the building which fronts upon a customer parking area; and
- 5). Shall not be issued unless a permit fee of twenty-five (\$25.00) dollars is paid to the sign administration for such banner
