### **PASADENA POLICE DEPARTMENT**

[March 25, 2020] Under the Harris County *Safe Home/Work Safe* Order, the Pasadena Police Department will be modifying certain services to the following:

- Officers and civilian staff have been instructed to practice social distancing as recommended by the CDC.
- Upon calling the dispatch center with a request for service, citizens will be temporarily asked additional questions to see if the issue can be resolved via telephone in lieu of a physical response.

These temporary changes are in effect until further notice by order of Harris County and the State of Texas.

All police services, especially emergency operations and essential staffing, remain unchanged. Thank you for your cooperation and understanding during this time.
