COVID-19 Testing Site Comes to Pasadena

Walgreens will begin operating a COVID-19 drive-up testing site at their north Pasadena store located at 101 Southmore (@ Shaver) this Friday, April 17, 2020. Testing will run 7 days a week from 9 a.m. – 4 p.m.

Testing consists of a free self-administered nasal swab. Results will be ready in 1-2 days.

In accordance with U.S. Department of Health & Human Services guidelines, testing is being prioritized for individuals who have symptoms and are/have:

- Healthcare workers with symptoms
- First responders with symptoms
- Aged 65+ with symptoms
- Those with pre-existing health conditions.

APPLICANTS MUST BE PRE-SCREENED ONLINE AND QUALIFY IN ORDER TO BE TESTED.

Individuals interested in being tested must log on to www.walgreens.com/coronavirus or www.walgreens.com/findcare and complete a pre-screening assessment.
