Pasadena Public Library Launches Contactless Curbside Pickup

{May 22, 2020-Pasadena, Texas} Beginning Tuesday, May 26, both Pasadena Public Library locations will launch no-contact curbside pickup service during limited hours. This service is specifically designed for patrons practicing social distancing due to COVID-19 restrictions. Library buildings will not be accessible to the public until further notice.

Curbside Pickup Service Details:

Monday through Friday from 10:00 AM – 4:00 PM

Central Library: (713) 477-0276
1201 Jeff Ginn Memorial Dr.
Pasadena, TX 77506

Fairmont Library: (281)998-1095
4330 Fairmont Parkway
Pasadena, TX 77504

How It Works:

Patrons will be able to call ahead and reserve circulating books and AV materials by phone, using their library card number. Patrons may use this service to pick up books and materials on HOLD, or patrons may request specific titles for pickup. Online catalogs can be found at: www.pasadenalibrary.org/explore

Library staff will call patrons when their order is ready. Reserved parking spaces have been established for contactless pickup. Patrons call staff upon arrival and a library employee will come out and place materials in the trunk. Patrons remain inside their vehicles during the entire pickup process.

All library materials should be returned in the outside book drop. Library staff will not accept fines or fees, or handle returns, during curbside pickup. Late fees are suspended until further notice.

The Pasadena Public Library System (PPL) is a proud part of the City of Pasadena, Texas. We provide a large variety of books, movies and free recreational and educational programs for the Pasadena community at both of our locations.
