### **Pasadena *Fill the Bus* Empowers Teachers**

{July 26, 2022 – Pasadena, TX} Pasadena’s annual *Fill the Bus* school supply drive will be held next week at the Pasadena Convention Center. This is the 5<sup>th</sup> year for the event that collects school supplies to benefit local classrooms. Created in 2018 by the City of Pasadena, *Fill the Bus* provides school supply support for local teachers. Every school year, teachers across the country are forced to personally subsidize supplies and hygiene items for their classrooms, especially in Title I school districts like Pasadena ISD. This event is a joint effort between the city, school district and chamber of commerce that provides supplies for every student in Pasadena while empowering teachers to decide which materials are best for their own classrooms and students.
