Pasadena's Team Up to Clean Up Event Returns

{September 7, 2022 – Pasadena, TX} The City of Pasadena Neighborhood Network Division is pleased to announce their annual *Team Up to Clean Up*. This community event will kick off with a volunteer breakfast on **September 10, 2022 at 8:30AM at 1727 Red Bluff Rd.**, followed by a day of service. Dozens of volunteers from local businesses, neighborhoods, schools and churches will come together to tackle several exterior home repair and yard improvement projects throughout the day.

Volunteers are scheduled to work on almost a dozen Pasadena homes. Recipients for the TU2CU program applied in advance and, according to application guidelines, fell into one or more of the following categories: elderly, disabled, low-income and/or veteran. Projects are limited to exterior needs only. This will be the fourth year for the event.

Team Up to Clean Up would not be possible without sponsors like Chevron-Phillips Chemical, Habitat for Humanity, local churches, student groups and the in-kind donations from business members from *The Pasadena Industrial Community Network*. PCIN offers business leaders and their employees an efficient process to streamline corporate involvement in community projects.

More information about Team Up to Clean Up can be found at: www.pasadenatx.gov/TU2CU
