BANK DRAFT (ACH) AUTHORIZATION FORM

The City of Pasadena offers an easy and convenient way to pay your water bill. Our Bank Draft service allows you to have your bill paid automatically by direct deduction from your bank account. Bank Draft saves you time and ensures that your bill is paid on time, even when you're out of town. You will continue to be provided a monthly statement showing your current charges. Because payment is automatic, there are no late fees or postage costs. This service is provided to you free of charge.

INSTRUCTIONS:

- Complete the authorization form below; to authorize payment from your checking/savings account, provide account information along with a blank check marked **VOID**.
- Payments will be deducted from your checking/savings account on the due date or the first business day following the due date; if we receive two (2) returned bank drafts as unpaid for any reason, you will be taken off the bank draft program.
- The first automatic draft may take up to thirty (30) days from receipt of this authorization form.
- You may cancel this plan at any time by completing a "Bank Draft Cancellation Form".
