Pasadena ISD campuses also hold a friendly collection competition to see which school will take home the coveted traveling Pasadena Food Drive trophy. Each year, students, teachers and staff donate tens of thousands of pounds in food items to help local families. In 2021, Pasadena ISD donations totaled more than 60K pounds! Students and community members will be volunteering through November 8 to help sort this year's school donations before the big public drop-off day on November 10.

Donors can also give online. Contributions can be made through direct monetary donations, corporate sponsors or Amazon wish list. For more information on the Pasadena Food Drive or to donate online, please go to: www.PasadenaFoodDrive.org
