For Immediate Release

We are aware of the videos circulating on social media depicting some of our officers who had responded to a complaint of excessive noise at a local residence. Due to the family's public comments, we have already begun an internal review of the incident, including a complete analysis of all available body camera footage. We take all allegations of misconduct very seriously and have a process in place to address all citizen complaints. We encourage those involved to contact our Internal Affairs Division at 713-475-7807 so that a formal and thorough internal investigation can be conducted.
