Shooting - 3823 Red Bluff Road

On Sunday, June 26, 2022, at approximately 10:00 p.m., officers were dispatched to 3823 Red Bluff Road in reference to a shooting in the parking lot that had occurred near the leasing office. Upon arrival, officers found a 15-year-old Hispanic male who had sustained a gunshot wound to the abdomen and a 17-year-old Hispanic male who had suffered a gunshot wound to the facial area. Officers rendered emergency first aid to both subjects, who would eventually be Life-flighted to Memorial Hermann Hospital for emergency treatment. Responding personnel also located an additional victim just north of the shooting location who had already succumbed to injuries he sustained resulting from a gunshot wound.

During the preliminary investigation, our officers recovered a handgun from the 17-year-old, who ultimately succumbed to his injuries, and a second handgun was located near the original shooting location. The Pasadena Police Department's Violent Crimes Division responded to the scene and, after interviewing the only surviving victim, learned that the three subjects involved had met in the apartment complex parking lot just before the shooting, where an argument ensued. All three individuals sustained gunshot wounds during this altercation. A review of all available evidence and possible surveillance video is underway to ascertain further information on what led to this deadly encounter.
