

BACODA

Pasadena

BAY AREA COUNCIL ON DRUGS AND ALCOHOL

BACODA is a non-profit organization assisting individuals, families, and communities to prevent substance use disorders through education, prevention, intervention, and recovery services in Brazoria, Galveston, Matagorda, Southeast Harris and Wharton County and the city of Pasadena.

MISSION

Empowering our community with knowledge and resources to help prevent or stop substance use disorders.

VISION

Community leader in the field of Prevention, Education, Intervention, and Recovery for substance use disorders creating healthy and thriving communities for our youth and families.

OBJECTIVES

01

Increase prevention efforts in Pasadena with a focus on underage drinking, vaping, and opioid misuse

02

Enhance community efforts by connecting resources and establishing strong partnerships

03

Increase awareness on the importance of mental health and enhance community unity and resilience

WHAT WE DO

Happiness Projects:

Focus on promoting healthy habits and stress relief especially after the pandemic. Through this initiative we have partnered with many organizations to bring happiness to our community.

Pasadena CCP & PFS:

Our Community Coalition and Partnerships for Success grants serve as a community-wide effort aiming to prevent and reduce the harmful impact of substance and prescription abuse among youth within our communities. We emphasize the importance of prioritizing mental health and aim to connect our community to viable resources.
