# Community Resource Center (CRC)

## **Who are we:**

A program of Memorial Hermann Health System Community Benefit Corporation. The Community Resource Centers provide one-stop locations where individuals and families in our community can get help with access to health care, health education, and social services. The Community Resource Centers at Memorial Hermann are a welcoming space for patients and community members to receive assistance with accessing community resources, completing eligibility applications and receiving information and education on various health and social services.

## **Our Mission:**

The Community Resource Center reduces the impact of social drivers of health (SDoH) barriers for individuals, families and the community by bridging healthcare with social services, always with a concentration on health literacy, in a one-stop location.
